## AIP-PRIMECA

**Jean-François Boujut**,  
INP Grenoble

**Benoît Eynard**,  
UT Compiègne

**Xavier Fischer**,  
ESTIA Biarritz

**Patrick Martin**,  
ENSAM Metz

**Manuel Paredes**,  
INSA Toulouse

**Michel Taix**,  
LAAS Toulouse

**Pierre Castagna**,  
University of Nantes

## ADM-IMPROVE

**Gianmaria Concheri**,  
University of Padua

**Salvatore Gerbino**,  
University of Molise

**Antonio Lanzotti**,  
University of Naples

**Maurizio Muzzupappa**,  
University of Calabria

**Vincenzo Nigrelli**,  
University of Palermo

**Stefano Tornincasa**,  
Polytechnic University of Turin

## INGEGRAF

**Fernando J Aguilar**,  
University of Almería

**Antonio Bello**,  
University of Oviedo

**Francisco Xavier Espinach**,  
University of Girona

**Maria Luisa Martínez**,  
Polytechnic University of Madrid

**César Otero**,  
University of Cantabria

**Guillermo Peris-Fajarnés**,  
Polytechnic University of Valencia

## Partners

This conference is promoted by the A.I.P. PRIMECA (Ateliers Inter-établissements de Productique - Pôles de Ressources Informatiques pour la MECANIQUE) network from France, the Italian association ADM (Associazione Nazionale Disegno di Macchine) and INGEGRAP (Asociación Española de Ingeniería Gráfica) from Spain.

## Conference Location

The conference will take place in Toulouse, known as the European capital of aeronautics and astronautics. Toulouse is ideally located in Southern France between the Mediterranean and the Atlantic. The pink city is a joyful combination of modernism and "art de vivre". Your stay in Toulouse will be a moment of great pleasure.

## Organizing Committee

**Cyril Briand** - Université Toulouse 3 – AIP-PRIMECA

**Michèle Grimal** – AIP-PRIMECA

**Alain Daidié, Manuel Paredes, Philippe Seitier** - INSA Toulouse

# Joint Conference on Mechanical, Design Engineering & Advanced Manufacturing

Toulouse, 18-20 June 2014

# Call for paper ●

The 2014 joint conference follows the conferences of IDMME-Virtual Concept, Congresso INGEGRAF and ADM-IMPROVE. It invites all researchers, industry experts in the domain of «Interactive and Integrated Design and Manufacturing for Innovation» to disseminate their major and recent results, studies, implementations, tools and techniques at an international level. This international conference is opened to researchers and industry from the entire world.

The conference guarantees the worldwide dissemination of Original Papers, Short Papers, Workshops and Tutorials with:

- **Public presentations on June 18th, 19th and 20th morning 2014,**
- **Publications all included in a book distributed in more than 40 countries by Springer Verlag international publisher.**
- **Best presented papers proposed to be published in The International Journal of Interactive Design and Manufacture (indexed in scopus).**
- **Best presented paper awards given by the scientific committees after the conference**

## ● Topics

The joint conference covers a wide range of topics proposed by the AIP Primeca, ADM and Ingeggraf networks. All contributions related to Major Themes of conference are welcome:

- Virtual Approaches for Interactive Design and Manufacturing
- Integrated Design and Manufacturing
- Robust Design
- Green Engineering, Eco design
- Micro-Systems, mecatronics and robotics
- Additive manufacturing and related material and design issues
- Multimaterials engineering, manufacturing processes
- Innovative design methods TRIZ, C-K and Intellectual Property Management
- Multimodal Interfaces for Skills Learning
- Methods and Tools for product and production engineering
- User Centred Design
- Virtual prototyping based design
- Product life cycle based design
- CAE, CAD, IFC and BIM
- Interactive robotic simulation in cooperation
- Image processing and analysis
- Geometric and functional characterization of products (GD&T)

## Paper submission ●

Full papers in English are submitted to the most appropriate track of the conference through the website of the conference:  
<http://idmme2014.sciencesconf.org>

### Key dates

February 24<sup>th</sup> 2014, Full paper submission deadline

April 7<sup>th</sup> 2014, Accepted paper notification

May 1<sup>st</sup> 2014, Revised paper submission and author registration deadline

### Registration fees
